

## Junior Counselor Applicant Information

Junior Counselors (JCs) are volunteers (grades 9-12) who assist camp staff with our week-long animal themed camps for campers in grades TK-8. JCs help with camp activities including lessons, games, crafts, and animal interactions. The JC program is a great way for teens to gain valuable volunteer experience working with children and animals in an educational environment. **Note:** No direct animal handling will be involved.

Junior Counselor applicants should feel comfortable around all types of cats and dogs. Past experience working with children is preferred but not required. JC applicants are expected to be enthusiastic self-starters with positive attitudes, and they should be able to follow rules and directions with limited supervision.
